* If one or more of the X-Ray, sampling and weighing services are requested by the customs administration during the full or partial inspection procedures or together with these services, the fee specified for the subject services is applied with a 50% discount. In order to benefit from discounts related to services performed at the same time, it must be separately stated in the request form that the subject services will be performed at the same time.

** These services are subject to VAT and +18% VAT is applied to the prices stated above.
